

Integrity Compliance of Hendricks Shipping Group

“Integrity is a personal or business quality of fairness that we all aspire”

Having integrity means doing the right thing in a reliable way.

It's a property that we admire, since it means a person has a moral compass that doesn't waver. This personality will be present in all activities of Hendricks Shipping Group Family Company.

Integrity is the qualifications of being honest and having strong moral principles; moral uprightness. It is generally a personal choice to hold oneself to consistent moral and ethical standards.

As such, one may judge that we act according to the values, beliefs and principles our clients claim to hold.

Significant attention is given to the subject of integrity in the conception centring in part on the executions of our services.

Summary of Hendricks Shipping Group Integrity Compliance Guidelines:

The Summary of Hendricks Shipping Group Integrity Compliance Guidelines that follow incorporate standards, principles and components commonly recognized by many institutions and entities as good governance and anti-fraud and corruption practices.

They are not intended to be all-inclusive, exclusive or prescriptive; rather a party's adoption of these Guidelines, or variants thereof, should be determined based on that party's own circumstances.

All services will be offered in the most defined way and with the most reasonable conditions for our clients.

Any client that does not compete with the moral Integrity standards in business guidelines will not be serviced by the Hendricks Shipping Group.

We work for our clients with these morals and we expect our clients to behave and act as treated.
